If you agree to participate in our expanded field test, you will be contacted by Kryptane Systems by the end of May. Our newly redesigned split flails will be available June 1, 2009 for \$7.50 each. When you return a short questionnaire regarding the performance of the flails you will receive a \$3.00 credit for each flail purchased for the test. In order to qualify for the rebate you must agree to replace all of the sweeper flails on your machine.
